- 6. Magnificent Placements**

NBA Accreditation for Department of CSE & ECE

SISTec extends its heartfelt congratulations to the Departments of Computer Science & Engineering and Electronics & Communication Engineering for their distinguished accreditation by the National Board of Accreditation (NBA). This remarkable achievement is a testament to the unwavering commitment of our management, administration, staff, and students toward academic excellence.

Research Collaboration Meet 2023

The Departments of Electrical & Electronics Engineering (SISTec Gandhi Nagar) and Electrical Engineering (SISTec Ratibad) jointly organized "Research Collaboration Meet 2K23" under the banner of IEEE MP Section, IES Society, and the Institution's Innovation Council. The event aimed to provide a platform for researchers and professionals to exchange ideas and explore innovative strategies for advancing the field of engineering. The event covered critical areas like fundraising, corporate social responsibility, research lab utilization, research paper and proposal writing, and R&D advisory. Faculty members of the departments from both the campuses connected with renowned experts to seek suggestions on ways to forge collaborations, and contribute to shaping the future of engineering.

Farewell: Mehfil-A-Rukhsat

SISTec MBA students of the 2nd Semester (Batch 2022) bid adieu to their seniors by organizing a Farewell Party, "Mehfil – E – Rukshat – 2K23". The program started with Saraswati Vandana followed by a lamp lighting ceremony. HOD SISTec MBA addressed the students and bestowed his blessings on them. Junior students arranged many fun events for their seniors, including poetry, singing, and dancing performances. Videos were presented that showcased the 2 year MBA journey of the seniors. The ceremony advanced with the ramp walk and talent hunt for Mr. & Ms. SISTec 2023, Mr. & Ms. Eve 2023, and King & Queen of Mehfil-e-Rukhsat 2023. The final year contestants' elegance and talents swayed the entire audience. This was followed by a round of questionnaires. The participants stole the glam light and performed wonderfully.

Parent-Teacher Meet

SISTec believes that connecting facilitators ultimately result in the best possible outcome by creating a great community of learners. SISTec First Year Cell, in an effort of realizing this vision, organized a PTM for the students of B.Tech. II Sem. The meeting received an impressive turnout of parents. The idea and execution of such a meeting were highly praised by the parents. The objective was to analyze and critically understand the performance of students in all the curricular activities.

There was an exchange of valuable feedback from both ends. It proved as a benchmark in terms of the outcome it would have on the holistic development of the students.

Training on “Deep Dive into C Programming”

SISTec Department of Computer Science & Engineering organized a 7 Day Training Program on "Deep Dive In C Programming" for the 2nd Semester students. The training helped students learn about the basics of C Programming, its procedure, and general purposes.

Magnificent Placements

Congratulations and best wishes to our Civil Engineering student Mr. Om Prakash Gupta Batch 2023 for getting placed in UltraTech as a Graduate Engineer Trainee (TTSE CASC) at a package of 4.57 LPA.

The certificate features the SISTec logo at the top left, with the text 'SISTec GANDHI NAGAR & RATIBAD, BHOPAL ENGINEERING | MBA | PHARMACY'. To the right are accreditation logos for ARIIA 2021, NAAC, and NBA. The main text reads 'Congratulations to our Civil Engineering Student for getting placed in'. Below this is a hexagonal photo of Om Prakash Gupta. To the right of the photo is the UltraTech CEMENT logo with the tagline 'The Engineer's Choice'. Further right, it states 'CTC 4.57 LPA BATCH 2019-23' and 'Profile : Graduate Engineer Trainee (TTSE CASC)'. At the bottom, it says 'MAGNIFICENT PLACEMENTS' and 'www.sistec.ac.in'.

Congratulations and best wishes to our Civil Engineering student Mr. Rohit Kumar Batch 2023 for getting placed in Seven Dreams Pvt. Ltd. as an Assistant Engineer at a package of 5 LPA.

The certificate features the SISTec logo at the top left, with the text 'SISTec GANDHI NAGAR & RATIBAD, BHOPAL ENGINEERING | MBA | PHARMACY'. To the right are accreditation logos for ARIIA 2021, NAAC, and NBA. The main text reads 'Congratulations to our Civil Engineering Student for getting placed in'. Below this is a hexagonal photo of Rohit Kumar. To the right of the photo is the SEVEN DREAMS Pvt. Ltd. logo. Further right, it states 'CTC 5 LPA BATCH 2019-23' and 'Profile : Assistant Engineer'. At the bottom, it says 'MAGNIFICENT PLACEMENTS' and 'www.sistec.ac.in'.

Magnificent Placements

Congratulations and best wishes to our Electrical & Electronics Engineering, Electronics & Communication Engineering, and Computer Science & Engineering students, Batch 2023 for getting placed in InfusAi as a Software Engineer at a package of 3 LPA.

A congratulatory poster for InfusAi placements. At the top left is the SISTec logo (SANGH NAGAR & RATNAD BHOIPAL ENGINEERING | MBA | PHARMACY) and accreditation logos for ARIIA 2021 and NEA. The main text reads 'Congratulations to our Electrical & Electronics, Electronics & Communication and Computer Science & Engineering Students for getting placed in infusAi CTC 3 LPA BATCH 2023 Profile: Software Engineer'. Below this are five student portraits in hexagonal frames with their names: Kushal Monika, Palkesh Sahu, Bhoomika Badgoti, Nikita Nagar, and Yuvraj S. Chouhan. At the bottom is the 'MAGNIFICENT PLACEMENTS' logo and website URL.

Congratulations and best wishes to our Electrical & Electronics Engineering, Electronics & Communication Engineering, and Electrical Engineering students, Batch 2023 for getting placed in Dongfang Electronics as a Graduate Engineer Trainee.

A congratulatory poster for Dongfang Electronics placements. At the top left is the SISTec logo (SANGH NAGAR & RATNAD BHOIPAL ENGINEERING | MBA | PHARMACY) and accreditation logos for ARIIA 2021 and NEA. The main text reads 'Congratulations to our Electrical & Electronics, Electronics & Communication and Electrical Engineering Students for getting placed in DFE DONGFANG ELECTRONICS BATCH 2019-23 Profile: Graduate Engineer Trainee'. Below this are five student portraits in hexagonal frames with their names: Tushar Chourasia, Advitiya Goswami, Anisha Kumari, Danish Rain, and Asad Khan. At the bottom is the 'MAGNIFICENT PLACEMENTS' logo and website URL.

SISTec BULLETIN 2023 EDITION – IV

We are really proud and exuberant to acclaim the results and achievements received by us during this month. SISTec Bulletin is to be viewed as a launch pad for the creative, academic, and placement happenings of the students and the college. The remarkable achievements of the students are indubitably sufficient to hold the interest and admiration of the readers. This souvenir is indeed a meticulous attempt to make our budding talents give shape to their creativity and learning. This Bulletin is presented before you by the combined efforts of the Editorial Board, Digital Team & Designing Team.
