## SISTec Glory' 22

SISTec Glory '22 marked the celebration of Magnificent Placements in the presence of HR Stalwarts from reputed brands such as Google, Microsoft, Tata Consultancy Services (TCS), Ernst & Young (EY), Tech Mahindra, Digicomm Semiconductor, Mphasis, KPMG, Hexaware, Tata Steel, and more.

The mega event appreciated the superlative performance of our students and the relentless efforts of the Training and Placement Team behind their career development. The event also witnessed panel discussions from HR professionals on Corporate Etiquettes and Growth Management, motivating students with their exemplary technical sessions, and having mentor-mentee feeds. A few students shared their success stories and gave insights to their juniors for the upcoming placements.

## Educational Visit

Civil Engineering professionals take pride in themselves for working closest to nature. This necessitates the young civil engineers to have a certain level of exposure to the built environment, and the complexities therein. Keeping up with the tradition of providing such beneficial field exposures to the students, the Department of Civil Engineering organized an educational field visit to Bhojpur. Students learnt about various construction methods and materials used earlier which were energy efficient as well as locally available.

## Workshops & Webinar

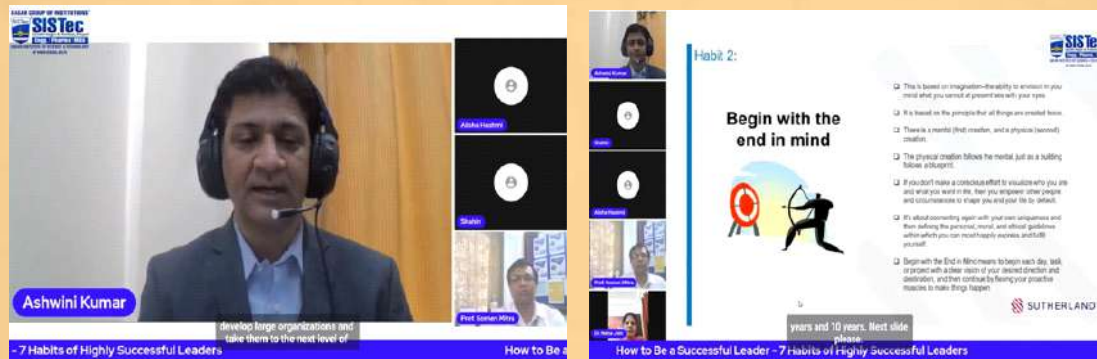

SISTec MBA conducted a Three Day workshop on Barclays Life Skills Programme by Ms. Rimjhim Singh and Mr. Sagar Mandoliya & Mr. Vidit Choudhary from Global Talent Track (GTT).

SISTec MBA and SISTec-Ratibad Department of Artificial Intelligence and Machine Learning organized a Webinar on "Evolution of AI & ML and its application in Retail Industry" by Mr. Anant Patil (Shopping Center Head, Nexus Whitefield Mall, Bengaluru).

SISTec MBA, under the banner of the Knowledge Series, organized a webinar on "How to be a successful leader - 7 habits of highly successful leaders" by Resource Person Mr. Ashwini Kumar Rao (Senior Director, Human Resources, Sutherland, Mumbai).

SISTec - Department of Artificial Intelligence and Data Science organized an Expert Session on "Career Prospects in Artificial Intelligence and Data Science". The expert for the session was Ms. Swati Patel (Senior Data Engineer, L & T Infotech).

SISTec MBA, under the banner of the Knowledge Series, organized a webinar on "Idea Testing: Creating a Product Market Fit" by Resource Person Mr. Vaebhav S Badal (Strategy Consultant, CYNAPS).

## Achievements

SISTec students were felicitated with trophies and certificates for achieving a Runner-Up position in the event. "TECHFIZZZ-2K22" a Robodino Robo Race Competition, organized by Oriental College of Technology Bhopal. The Robo was designed, developed and fabricated by Mr. Gaurav Pandey, Mr. Ankit Gupta and Mr. Rishu Kuwar students of 6th semester (Department of Mechanical Engineering).

## SISTec BULLETIN: EDITION – XII

We are really proud and exuberant to acclaim the results and achievements received by us during this month.

SISTec Bulletin is to be viewed as a launch pad for the students and college's creative, academic and placement happenings.

The remarkable achievements of the students are indubitably sufficient to hold the interest and admiration of the readers.

This souvenir is indeed a meticulous attempt to make our budding talents give shape to their creativity and learning.

This Bulletin is presented before you by the combined efforts of the Editorial Board, Digital Team & Designing Team.
