NPTEL Awareness Workshop & Felicitation of NPTEL Achievers

NPTEL Awareness Workshop

SISTec in association with NPTEL hosted an "NPTEL Awareness Workshop & Felicitation of NPTEL Achievers". The Guest speaker for the workshop was (Senior Manager, NPTEL & BS Program, IIT Madras) Mr. Shib Shankar Das.

The event was organized to honor the NPTEL achievers who have excelled in various certificate courses offered by NPTEL (National Program on Technology Enhanced Learning), established by the Ministry of Education, Government of India, and to introduce participants to the NPTEL platform, highlighting its extensive collection of high-quality online courses from prestigious institutions like the IITs and IISc.

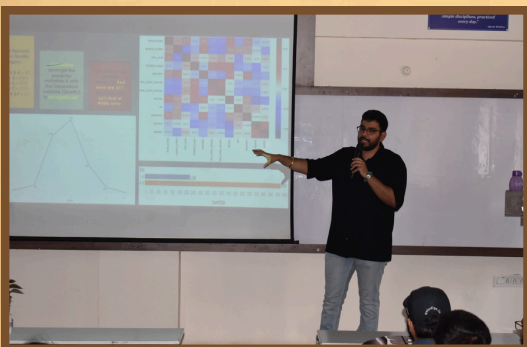

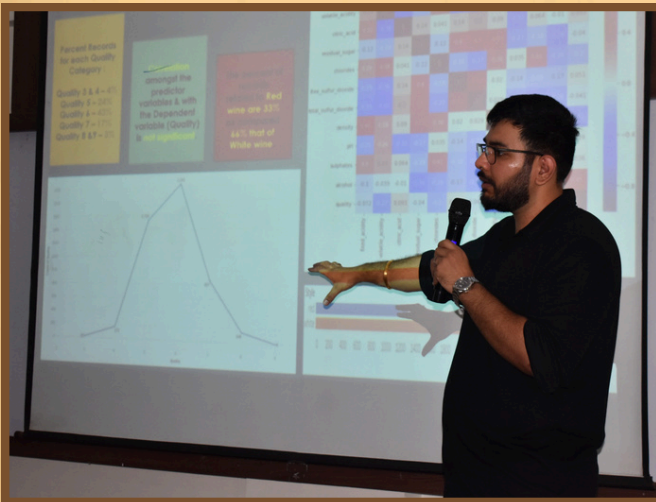

Felicitation of NPTEL Achievers

Expert lecture on "Generative AI and its applications in NLP"

SISTec Department of CSE with Artificial Intelligence and Data Science organized an expert lecture on "Generative AI and its applications in NLP". The expert for the session was the (Founder and Trainer at Talent Catalyst AI) Mr. Anmol Talwar.

Mr. Anmol Talwar provided valuable insights into the advancements and practical uses of Generative AI in Natural Language Processing. Key areas covered included an introduction to Generative AI, its applications in NLP, technological advancements, future prospects, and a hands-on session on Speech-to-Text technology.

presents

SISTec Bulletin 2024: Edition – VII

We are really proud and exuberant to acclaim the results and achievements received by us during this month. SISTec Bulletin is to be viewed as a launch pad for the creative, academic, and placement happenings of the students and the college.

The remarkable achievements of the students are indubitably sufficient to hold the interest and admiration of the readers.

This souvenir is indeed a meticulous attempt to make our budding talents give shape to their creativity and learning. This Bulletin is presented before you by the combined efforts of the Editorial Board, Digital Team & Designing Team.
