14th Sagar Reunion Games 2024

The 14th edition of the Sagar Reunion Games 2024 Khel Mahakumbh kicked off at the SISTec Ratibad Campus to promote fitness and health among Sagarites. This annual event is organized to encourage sports and good health in the community. This year, the Khel Mahakumbh has taken on a new dimension with the Sports Authority of India (SAI) joining in to celebrate Fit India Week.

14th Sagar Reunion Games 2024

10 Days Training for the Commandants of SSB

SISTec organized 10 Days Training on "Fundamentals of Automotive Technology & Strategy-Based Diagnosis" for the Commandants of "Sashastra Seema Bal (SSB), Govt. of India with a Valedictory Ceremony. It was a huge privilege "under the banner of SMEA Collegiate Club SISTec" as our expert trainer & Professor Dr. Sanjay Chhalotre with his exceptional teaching and knowledge delivered 10-day Hand-On sessions and enlightened the officers about various concepts and advanced techniques of Automobile Engineering.

SISTec Aadhar Project Expo

SISTec organized the SISTec Aadhar Project Expo, where students from 1st and 2nd year showcased their innovative ideas and designed projects. The exhibition was about learning and showcasing the hard work, students have put into their inventions. The projects were judged by the seniors, who evaluated them through presentations and concepts behind the design.

The top projects were rewarded with certificates and exciting prizes, and the winners were felicitated by the seniors in the morning assembly.

Training for Trainers in Hydraulic and Pneumatic Domain

SISTec Department of Mechanical Engineering organized a 10-Day Training for Trainers in Hydraulic and Pneumatic Domain by the experts Mr. Govind Sharma and Mr. Manoj Malviya from CRISP, Bhopal.

The training was sponsored by the National Development Council (NSDC) and Iron & Steel Sector Skill Council, Govt. of India. The training covered aspects of the hydraulic and pneumatic domain such as working knowledge of tools & fixtures, factors affecting oil contamination, concepts of contamination, hazards of pressure (oil/sir), etc.

On the last day of the training, an assessment was conducted for the participants through a written test, practical conduction, and Viva. Indeed, the training has helped faculties to learn in-depth about the hydraulic and pneumatic domains.

Faculty Development Program

SISTec Gandhi Nagar and Ratibad Campuses organized a highly informative and engaging two-day Faculty Development Program on Recent Pedagogical Practices. The program aimed to equip our esteemed faculty members with the latest teaching methodologies and tools to enhance their teaching effectiveness.

We were privileged to have Dr. D. Lakshmi, Assistant Director of the Center for Innovation in Teaching and Learning at V.I.T. Bhopal, as our distinguished guest speaker. Dr. Lakshmi started with flipped learning and continued to outcome-based education providing valuable insights to our faculty members. She delved into the concept of Education 4.0 and introduced the fascinating world of ChatGPT like AI Tools which captivated the audience's attention.

Celebrations at SISTec

- **75th Republic Day**

The 75th Republic Day was celebrated at SISTec with great enthusiasm and patriotism. A flag hoisting ceremony was held, accompanied by strong emotions and a display of national pride. The celebration came to an end with the singing of the National Anthem and a tribute to the unsung heroes of India.

• Trip to Lands End Resort

Trust and unity are crucial elements within an organization, and a Corporate Retreat is the perfect opportunity to foster both. The management of SISTec Gandhi Nagar and SISTec Ratibad Campuses organized a delightful outing for all staff members at Lands End Resort. This day was dedicated to pure enjoyment, with a generous serving of fun, food, and masti.

Visit to SMH

SISTec recently organized a visit to Sagar Multispeciality Hospital, Bhopal. During a recent field visit to the Hospital, students gained knowledge about the procedures, facilities, and equipment used in diagnosing diseases and providing specialized treatments. The visit proved to be memorable, useful, and highly informative for all participants.

Students' Achievements

1. Winners of the Poster and Oral Presentation Competition

SISTec felicitated the winners of the Poster and Oral Presentation Competition in the DBT sponsored, National Conference organized by Truba Institute of Pharmacy, Bhopal. The theme for the competition was the "Contribution of Indian Scientists during the Freedom Movement".

2. Student Ambassador at Microsoft

Our Student Ms. Neha Daryani 5th Sem (Computer Science & Engineering) selected as Microsoft Learn Student Ambassador. The Microsoft Learn Student Ambassador program is a program created for university students who are passionate about teaching others about Microsoft technologies, evangelizing in their community or on campus, and encouraging their peers to use Microsoft Learn, Microsoft's educational platform.

SAGAR GROUP OF INSTITUTIONS

presents

SISTec Bulletin 2024: Edition – I

We are really proud and exuberant to acclaim the results and achievements received by us during this month. SISTec Bulletin is to be viewed as a launch pad for the creative, academic, and placement happenings of the students and the college.

The remarkable achievements of the students are indubitably sufficient to hold the interest and admiration of the readers.

This souvenir is indeed a meticulous attempt to make our budding talents give shape to their creativity and learning. This Bulletin is presented before you by the combined efforts of the Editorial Board, Digital Team & Designing Team.
