- 12. Magnificent Placements**

## **Vision & Mission of Student Activity Council (SAC)**

### **Vision**

To promote a sense of community by providing progressive platform to discover strengths, talents and passions of students in order to produce competent and committed professionals.

### **Mission**

- 1.) To enhance the spirit of community building amongst students where every student feels connected and involved.
- 2.) To instill leadership skills and promote character building approach amongst students.
- 3.) To engage students in various activities so as to prepare them for better job opportunities through meaningful experiences.
- 4.) To act as a medium for bridging the gap between teachers and students by rigorous involvement in diverse activities.
- 5.) To impart life-long learning in the broadest context of technological and social change.

## **SISTec selected as the Nodal Center by IIRS-ISRO**

Proud Moment for SISTec.....

Sagar Group of Institutions-SISTec is selected as the Nodal Center for conducting online courses offered by IIRS-ISRO Dehradun as a part of IIRS outreach program. The co-ordinator for the program is Dr. Arnav Anuj Kasar (HoD, SISTec-Department of Civil Engineering)

The live sessions will be conducted at SISTec, where experts from IISR-ISRO and other knowledge institutions will share their ideas, theme-oriented online courses, and monthly webinars on recent topics on geospatial technologies and their applications. These courses and webinars will be beneficial for the students as well as faculties who will be certified on attending it.

## 74th Republic Day Celebration

The flag hoisting ceremony was conducted with full zest, emotions, and patriotism on the occasion of the 74th Republic Day at Sagar Group of Institutions-SISTec. Along with the flag-hoisting ceremony, the dignitaries, faculty members, staff members, and students also celebrated 'Basant Panchami' with the lamp lighting in front of Maa Saraswati.

The celebration concluded with the National Anthem and paying tribute to the unsung heroes of India.

## Leisure Trip to Udaygiri Caves

"Good teams make working together a part of their culture, laying the foundation for success....."

In order to reunite, unwind, and start the day with full masti, fun, and enjoyment with colleagues, Sagar Group of Institutions-SISTec, Gandhi Nagar & SISTec Ratibad campuses planned a leisure excursion trip for all staff members to 'Udayagiri caves'. The picnic was organized as a means for the group to unwind and enjoy themselves while escaping the daily grind of work. To bring back fond memories of childhood, Ms. Neha Nanwani and Ms. Rashi Paliwal planned different games and activities. Their happy grins said all about their experiences on this trip.

## Parents Teacher Meeting

SISTec believes that connecting home and college prepares a great community of learners. In the effort of realizing this vision, PTM was organized for the students of B.Tech I Sem. The meeting received an impressive turnout of parents. The idea and execution of such a meeting was highly praised by the parents. There was an exchange of valuable feedback from both ends. It proved as a benchmark in terms of the outcome it would have on the holistic development of the students. It is no less an achievement that parents are looking for more such interactions to be planned with them from time to time.

## SISTec Students attended Literature & Art Festival

A three-day Literature and Art Festival was organized by Society for Culture and Environment at Bharat Bhawan Bhopal, wherein more than 40 students from both the campuses of Sagar Group of Institutions-SISTec and SISTec Ratibad participated and attended this festival.

The three-day festival included sessions on "Six Lenses for Best Corporate Management" and "Mathematics in Ancient Jaina Literature." In the 3rd session, a conversation was held between the famous personality Mr. Kabir Bedi with Raghav Chandra. The guest shared his life experiences and also discussed the chapters from his book, "The Stories I must tell". Mr. Kabir also inaugurated the Hindi version of his book "Kahi Ankahi: Ek Abhineta ki Jazbati Zindagi". Altogether, it was a unique learning experience for all the students.

## Bhakti Sandhya

सागर ग्रुप ऑफ़ इस्टीट्यूशन - सिस्टिक गांधी नगर और रातीबड़ परिसर द्वारा भक्ति संध्या का आयोजन किया गया। नव वर्ष, मकर संक्रांति एवम लोहड़ी के उपलक्ष में आयोजित इस भक्ति संध्या में चेयरमैन श्री सुधीर कुमार अग्रवाल के साथ ही सागर ग्रुप के विभिन्न उपक्रमों के पदाधिकारी भी उपस्थित रहे। कार्यक्रम में सम्मिलित सभी ने सुरमई भजनों का आनंद लिया।

भक्ति संध्या परमात्मा के और निकट जाने का माध्यम साबित हुई, जहां सभी ने ईश्वर के अपने सबसे प्रिय रूप का भजनों के द्वारा आवाह किया। गणेश वंदना से शुरू हुई श्रृंखला ने शक्ति स्वरूपा माँ दुर्गा, भोलेनाथ, श्री कृष्ण, राधा, पवनसुत हनुमान और श्री राम की स्तुति तक का सफ़र तय किया। कुछ प्रस्तुतियों ने मन की शक्ति का भी संदेश दिया। सभी श्रोतागणों में भक्तिमय माहौल से एक नई ऊर्जा और नई उमंग का संचार हुआ और कोई भी अपनी तालियों की ताल को रोक नहीं सका। संध्या का समापन समूह हुनमान चालीसा पाठ के साथ हुआ जिसके पश्चात सभी ने लोहड़ी का उत्सव मनाया एवम भोजन प्रसादी ग्रहण की।

## Hostel Premier League

"Sports is one of the most exciting thrills of life, that helps one imbibe the qualities like leadership, dedication, and discipline..."

Keeping up with the tradition, the students of Maharana Pratap & Shivaji Hostels at Sagar Group of Institutions-SISTec, Gandhi Nagar Campus organized their 'Hostel Premier League 2K22'. The event is a year-long tradition carried on by the hostellers to promote the motto of living a healthy lifestyle and creating a sense of sportsmanship in young individuals. The tournament started with the inauguration ceremony by (Administrator) Mr. B.S Kushwah & (Principal, SIPTec) Dr. Kuldeep Ganju. The final match was played between 'Demon's 11' and 'Dark Knight' of which Demon's 11 won the match and were felicitated with medals and a trophy.

## **MoU with Power Distribution Training Centre**

SISTec Department of Electrical & Electronics Engineering signed a Memorandum of Understanding (MOU) with Power Distribution Training Centre, (PTDC), Bhopal with the objective to perform industrial training, to conduct industrial visits and to organize guest lectures.

## **MoU with Ekspe Software Services**

Sagar Group of Institutions-SISTec signed a Memorandum of Understanding (MoU) with Ekspe Software Services LLP. The students' possibilities will be expanded by signing the MoU with Ekspe, which will also offer opportunities for the budding graduates from the institutions who could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Additionally, industry and institution interaction will give an insight into the latest developments/requirements of the industries.

## Students' Achievements

If you believe in yourself and have dedication and pride - and never quit, you'll be a winner.... And to keep motivating the students, SISTec feels proud to felicitate its budding engineers and managers.

### 1. Felicitation of 'The Oral Olympics - Extempore Competition' winners

On the occasion of National Youth Day, Student Activity Council - SAC in collaboration with IIC-SISTec organized 'The Oral Olympics -An Extempore Competition.' Students from various departments of engineering, management, and pharmacy participated in the competition and shared their thoughts on the topic given to them by the judges.

### 2. Mr. Avinash Dwivedi awarded as "Best Player of the Year" by MPCA Under-19

Congratulations and Best Wishes to our student from SISTec Department of Electronics and Communication Engineering Mr. Avinash Dwivedi for being awarded the "Best Player of the Year" by MPCA under-19

### 3. Students felicitated on completing one-week vocational training at PDTC

SISTec Department of Electrical & Electronics Engineering felicitated the students for their successful completion of one-week vocational training at the Power Distribution Training Center (PDTC), Bhopal.

## Expert Sessions/Conferences/Seminars

Expert sessions, Webinars & Workshops are interesting ways for better learning of students as it helps them get an interactive platform to communicate and develop keen interest in a new field. These sessions help them brush up new skills and knowledge not only in their domain areas but in other areas beyond the campus. SISTec, on many occasions organize expert sessions, workshops & webinars on departmental level to enhance the knowledge of students and offer them the chance to keep their questions in front of the experts.

### 1. DBT sponsored National Conference on 'Prospects of Edible Plant Vaccine for Oral Immunization: Scope and Limitation'

Sagar Group of Institutions-SIPTec successfully organized the DBT Sponsored National Conference on 'Prospects of Edible Plant Vaccine for Oral Immunization: Scope and Limitation' on 04 January 2023. The conference was attended by various eminent personalities, adding technical sessions by University of Westminster, London, UK) Dr. Papiya Bigoniya and (Scientist "C" ICMR-AMSP Department of Medicine AIIMS Bhopal) Dr. Shweta Kumar. The technical session included a poster presentation competition, wherein participants from various colleges participated, discussed various topics, and shared their ideas on recent advancements in the field of biotechnology.

## Expert Sessions/Conferences/Seminars

### 2. Expert Session on 'Energy Technology and its Applications'

SISTec Department of Mechanical Engineering organized an expert lecture on 'Energy Technology and its Applications'. The expert for the session was Dr. Anil Kumar (Ph.D. (IIT Delhi), PDF (Thailand), FIE, C.Eng.), who guided students on the design and development of innovative products and systems for promoting renewable energy. He even discussed topics like the design and development of solar thermal applications, heat transfer applications, natural rubber sheet drying, and disseminating renewable energy technology for students, professionals, and institutions.

### 3. Seminar on 'How to crack Competitive Examinations for Public Sector Jobs in Core Branches'

SISTec-Department of Civil Engineering organized a seminar for B.Tech students on 'How to crack Competitive Examinations for Public Sector Jobs in Core Branches'. The Guest Speaker for the session was Mr. Arjun Chhabra (Motivational Speaker, Faculty Member at ACE). Mr. Chhabra had a detailed discussion with the students about various career opportunities available in the public sector for the core branches. He explained the fundamental approaches students can use to prepare for various competitive examinations such as GATE, SSC, PSC, etc.

## Campus Drives

Campus Drive of Tudip Technologies for the B.Tech - Computer Science & Engineering students batch-2023 to onboard fresh talent for the profile of Core Development Engineer.

Campus Drive of Alkonik Industries for the Management & B.Pharm students batch 2023 to onboard fresh talent for the profile of Business Development Manager.

Campus Drive of Genesis Technologies for all B.Tech students batch 2023 to onboard fresh talent for the profile of Software Testing / Software Developer.

Campus Drive of we360.ai for the B.Tech - Computer Science & Engineering students Batch- 2023 to onboard fresh talent for the profile of Software Developer.

## Magnificent Placements

Congratulations and best wishes to our students from Mechanical Engineering Department Batch 2023 for getting placed in Akshay Industries as Production Engineer.

Congratulations and best wishes to our students from Computer Science & Engineering Department Batch 2023 for getting placed in Gammastack as Solution Engineer at a package of 4.15 LPA.

Congratulations and best wishes to our students from Electrical & Electronics Engineering, Electrical Engineering and Electronics & Communication Engineering Department Batch 2023 for getting placed in Enerqual as Graduate Engineer Trainee.

## Magnificent Placements

Congratulations and best wishes to our students from Mechanical Engineering Department Batch 2023 for getting placed in Accel as Graduate Engineer Trainee at a package of 3 LPA.

Congratulations and best wishes to our students from Computer Science & Engineering Department Batch 2023 for getting placed in Tudip Technologies as Core development Engineer - Digital at a package of 4 LPA.

Congratulations and best wishes to our Management students Batch 2023 for getting placed in IndiaMart as Executive Client Service at a package of 4 LPA.

## SISTec BULLETIN: EDITION – I

We are really proud and exuberant to acclaim the results and achievements received by us during this month. SISTec Bulletin is to be viewed as a launch pad for the creative, academic and placement happenings of the students and the college.

The remarkable achievements of the students are indubitably sufficient to hold the interest and admiration of the readers. This souvenir is indeed a meticulous attempt to make our budding talents give shape to their creativity and learning.

This Bulletin is presented before you by the combined efforts of the Editorial Board, Digital Team & Designing Team.
