Collaboration Meet with Tata Technologies

SISTec welcomed the Tata Technologies Team, at its campus. The purpose of the visit is collaboration, promising exciting opportunities for knowledge exchange and innovation. The campus was buzzing with enthusiasm, and SISTec eagerly anticipates the transformative impact this partnership will have on the students and faculty. Together, this collaboration will embark on a journey of cutting-edge research, industry-relevant training, and technological advancements.

Blood Donation Camp

On the occasion of World Blood Donor Day, SISTec in collaboration with Indira Gandhi Hospital Bhopal organized a remarkable Blood Donation Camp. It fills us with immense joy and pride to share that the event was a resounding success, all thanks to the overwhelming support and participation of our compassionate community members like you!

The response received from the staff members as well as students was truly heartwarming, with a remarkable number of donors showing up to contribute their lifesaving gift of blood.

ISRO – Space on Wheels

The ISRO - Indian Space Research Organisation's 'Space on Wheels' reached SISTec, wherein the students and faculty members welcomed the mobile bus. The models and technology depicting the achievements of ISRO were displayed in the bus which is operated by the Madhya Pradesh Council of Science and Technology, Bhopal.

Students got to know about the wonderful world of space science, where mobile exhibition vehicles, satellites and rockets, and other equipment related to ISRO and space were displayed.

Students' Achievement

Students of SISTec Department of Mechanical Engineering were felicitated by Hon'ble (Dean Faculty of Electrical & Electronics Engineering, RGPV Bhopal) Prof. S C Choube, on getting certified in Mechanical Design from Dassault Systemes and Solidworks.

Rx for Success Workshop

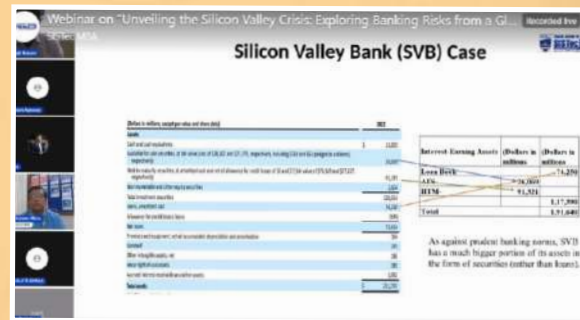

Team Corporate Relations organized a one week workshop on “Rx for Success” Industry-Academia Exposure, where the SIpTec students learnt in-out of Career Opportunities in Pharmacy. The aim of the workshop was to encourage the students to develop strong skills needed to be successful in their future endeavors- be it campus placements, higher education or entrepreneurship. The workshop included insightful sessions from industry experts, business incubators and alumni, followed by screening of motivational documentaries and Industrial visit to Lupin Ltd.

SISTec Knowledge Series

SISTec MBA organizes a series of webinars and expert sessions under the banner of SISTec Knowledge series, inviting different eminent speakers to share their knowledge and experiences with the students. This month SISTec MBA organized webinars on "Unveiling the Silicon Valley Crisis: Exploring Banking Risks from a Global Lens" by an eminent speaker (Asso. Professor, Finance, CMS Business School) Dr. Avijit Bakshi, and another Webinar on "How Life is Beautiful with Standards" by (Principal Consultant - ICT, Smart Cities, C4 1SR Projects, Defence Consultant) Colonel Manoj Mehrotra.

1. Unveiling the Silicon Valley Crisis: Exploring Banking Risks from a Global Lens

2. How Life is Beautiful with Standards

WHAT ARE STANDARDS??

- Standards are **documented agreements** containing **technical specifications or other precise criteria** to be used consistently as **rules, guidelines, or definitions** of characteristics, to ensure that materials, products, processes and services are fit for their purpose.
- E.g format and thickness of credit cards, size of paper, speed of films.
- Aim - make life simpler, and to increase the reliability and effectiveness of the goods and services

Celebrations @ SISTec

Celebrations at SISTec are always filled with joy and excitement. Whether it's the annual cultural fest, technical events or festive occasions like Diwali and Christmas, the campus comes alive with vibrant, enthusiastic performances, and a sense of unity. Students and staff participate wholeheartedly, creating unforgettable memories and fostering a strong sense of community within the institution.

1. Environment Day Celebration at SIPTec

Sagar Institute of Pharmacy and Technology - SIPTec organized activity on the occasion of "World Environment Day". The activity was based on "Modified sand for the cultivation of plants" – this invention relates to solving the problem associated with the dependency on soil and water to meet agricultural productivity.

2. Yoga Day Celebration

SISTec celebrated International Yoga Day under Isha Foundation. The campus was abuzz with positive energy, and the air was filled with a sense of unity and harmony. The sessions were not only physically invigorating but also deeply rejuvenating for our minds and souls. From the calming stretches to the meditative practices, every moment left us feeling more connected to ourselves and those around us.

MoUs'

MoU with SV Agri, Pune

SISTec signed a Memorandum of Understanding (MoU) with SV Agri, Pune to collaborate on innovation projects in the field of Mechanical Engineering. This partnership aims to leverage our respective expertise to drive advancements in areas such as sustainable agriculture, precision farming, and machinery development. By combining our resources, knowledge, and technological capabilities, we anticipate mutually beneficial outcomes that will contribute to the growth and development of the agricultural sector. We look forward to formalizing this MoU and embarking on a fruitful collaboration.

MoU with Y&NOW

SISTec signed a Memorandum of Understanding (MoU) with Y&NOW, with the aim to provide engineering students with exceptional opportunities to engage in live projects. By joining forces, we will combine Y&Now's expertise in cutting-edge technologies and SISTec's renowned educational platform. Through this collaboration, students can gain hands-on experience, enhance their practical skills, and foster innovation. Together, we are committed to empowering the next generation of engineers and preparing them for the challenges of the future. Get ready to embark on an incredible journey of experiential learning!

SISTec BULLETIN 2023 EDITION – V

We are really proud and exuberant to acclaim the results and achievements received by us during this month. SISTec Bulletin is to be viewed as a launch pad for the creative, academic, and placement happenings of the students and the college. The remarkable achievements of the students are indubitably sufficient to hold the interest and admiration of the readers. This souvenir is indeed a meticulous attempt to make our budding talents give shape to their creativity and learning. This Bulletin is presented before you by the combined efforts of the Editorial Board, Digital Team & Designing Team.
