RGPV Curriculum Development Bootcamp

Sagar Group of Institutions- SISTec hosted the RGPV Curriculum Development Bootcamp, intended to develop a framework for skill-based certification in line with the National Education Policy (NEP) 2020. The event witnessed the presence of Dr. Sunil Kumar Gupta (Vice Chancellor, RGPV), Dr. Rajesh Kumar Bhargava (Assistant Registrar, Academic, RGPV), Dr. Shikha Agrawal (Director, T & P RGPV), and Professors from various Universities & Institutes like VIT, LNCT, Oriental Group, Corporate College Bhopal and Technical expert from TCS and IIT Spoken Tutorial.

To improve students' employability, Dr. Sunil Kumar Gupta (Vice Chancellor, RGPV) educated institutes to emphasize regional language more in their course content. He

also suggested institutes for industry-institute collaboration, providing faculty members with more authority over skill development initiatives. Mr. Rahul Dubey (HOD -SISTec, CSE) suggested some last year exit-level courses including office automation, hardware maintenance, and networking, web designing using Word Press, e-content development, and search engine optimization.

Sagar Fiesta 2023

Sagar Group of Institutions-SISTec began its most awaited annual techno-cultural fest with unmatched energy and paramounting participation in all the technical and cultural events at 'Sagar Fiesta 2023'. The two-day fest witnessed several techno-cultural events, workshops, and art exhibitions wherein 800+ students participated from different colleges of Bhopal. The indomitable spirit and high energy of the students were seen in their performances. The most eye-catching was the drama depicting the story of an Engineering student.

The event was also marked by the distinguished presence of (Chairman - Sagar Group) Shri. Sudhir Kumar Agrawal, who felicitated the 'Academic Toppers' from various departments of engineering, management, and pharmacy. The toppers of all academic years were lauded with accolades with best wishes for their future endeavors. Amongst the awards was the most prestigious 'Student of the Year Award 2023' that was won by Mr. Akhilesh Choudhary, B.Tech. fourth-year student.

Nirmaan - Tech Skill Expo 2023

Sagar Group of Institutions-SISTec organized the National Level Working Model Competition "Nirmaan – Tech Skill Expo 2023". This two-day event was the Eleventh Edition in which 50+ Colleges/ Institutions with 1000+ students participated to showcase their working models on the themes like Clean and Green Energy, Healthcare, Robotics & Drones, Block-chain Security, Modern Agriculture Techniques, and Smart Automation. 'Nirmaan 2023' aimed to create entrepreneurs with their working models offering solutions to real-life problems and challenges with their innovative minds to enhance the quality of life by virtue of idea generation, technical thinking, and conceptualizing.

The event witnessed the presence of all esteemed personalities like (Vice-Chancellor, RGPV Rajiv Gandhi Pradyogiki Vishwavidyalaya) Prof. Sunil Kumar Gupta, (Chairman, Sagar Group) Shri Sudhir Kumar Agrawal and (MD, Sagar Group) Mr. Siddharth Sudhir Agrawal, (Chairman & MD, CRISP) Dr. Shrikant Patil, (President, Association of all Industries Mandideep) Dr. Rajeev Agrawal and (Project Coordinator, Regional Science Centre, Bhopal) Mr. Saket Singh Kaurav. They motivated students to work hard on such projects and offer real-time solutions with their innovative minds. With this, the winners of the 'Working Model Competition' were felicitated with trophies, cash prizes, and certificates.

MSME Awareness Program

Sagar Group of Institutions-SISTec in collaboration with (MSME) Ministry of Micro, Small and Medium Enterprises, Government of India Development & Facilitation Office, Indore organized a one-day "Entrepreneurship Awareness Programme". The event was attended by various eminent personalities (CEO, Ananya Package Pvt. Ltd., Mandideep and President, Association of all Industries Mandideep) Dr. Rajeev Agrawal, (Sr. Principal Scientist, MPCST Bhopal) Dr. N.K Choubey, (Joint Director/HOO, MSME DFO, Indore) Sh. D. D. Gajbhiye, (Chief Manager, NSIC, BO, Bhopal) Mohd. Faisal Hussain, (Assistant Director, MSME DFO, Indore) Mr. Gaurav Goyal, (Assistant Professor – Commerce, Bsss College, Bhopal) Dr. Smitha Pillai, (Nodal Officer-Incubation, (IES College, Bhopal) Prof. Sonu Lal (Principal, SISTec).

The objective of this program was to encourage and motivate young graduates towards entrepreneurship and to familiarize them with the various Governmental schemes promoting self-employment. The eminent personalities gave a brief insight into how to transform an idea into a profitable business, the importance of Intellectual Property Rights, policies and schemes of the Government to promote and support start-ups, and more.

Celebrations

1. International Women's Day Celebration -

SISTec celebrated International Women's Day with utmost uniqueness this year. The program was hosted and dedicated to all the female staff by the male members of the SISTec family. Rose buds as a welcome token added to the fun-filled ambiance of games, music, and fun. The celebration marked the acknowledgment of all the greatness and respect the society should owe to all the women for their indubitable contribution.

2. Holi Celebration

"The festival of Holi always brings along lots of happiness, high energy, and smiling faces". Thus, to keep splashing colors of happiness on every face, Sagar Group of Institutions-SISTec celebrated Holi with full positivity and enjoyment.

Samanvay Scholarship Achievers Felicitation

Difficult roads often lead to beautiful destinations and continuous hard work often leads to great achievements....

With this thought, Sagar Group of Institutions-SISTec felicitated six students, enrolled in B.Tech program who have bagged the "Samanvay Scholarship" for their education through the "Buddy for Study" platform. Along with this, Prof. Deepa Gianchandani (Asst. Professor, Dept. of ECE) was also felicitated for continuously providing students with such opportunities and encouraging them to continue with professional graduation courses.

- Ms. Sonali Kherkar - Dept. of ECE
- Ms. Aastha Jain - Dept. of CSE
- Ms. Sneha Khedekar - Dept. of ECE
- Ms. Bhuvi Sharma - Dept. of CSE(AI & DS)
- Mr. Gourav Singh - Dept. of ECE

Bootcamp in association with Barclays

SISTec- Department of Corporate Relations & Training (T&P) organized a Boot Camp in association with Barclay's CSR Activity for soon-to-be placed students aiming at improving their employability skills. This camp helped in reaching out to students, work on their weak areas, gain self awareness and present themselves in public, counsel them, address their objectives and set goals, build their confidence & overall work on their all nitty-gritty issues, reflect on their final placement/higher education /entrepreneurship outcome. Through this bootcamp, the students were able to learn methods of delivering their content to the public overcoming the oblivion of their hesitation. Also, to open up themselves when it comes to interviews and quickly adapting to situations with team building activities.

Inter-College Volleyball Tournament

"Victory is in the quality of competition and not the final score...."

With this thought, students of Sagar Group of Institutions- SISTec organized an Inter-College Volleyball League. The competition welcomed students from different colleges of Bhopal, wherein they participated and competed with the opponents. This two-day event was more of showcasing true sportsmanship than winning against opponents.

Intra-College Badminton Tournament

“Talent wins the game, but teamwork and intelligence win championships.” – Michael Jordan

Students of Sagar Group of Institutions - SISTec organized an Intra-College Badminton League. The badminton league included participants from both campuses

of SISTec, who participated with full enthusiasm. The event included badminton in different categories, the winners of which were felicitated in the morning assembly with medals and trophies.

Expert Sessions/Conferences/Seminars/Workshops

Expert sessions, webinars & workshops are interesting ways to better the learning of students as it helps them get an interactive platform to communicate and develop a keen interest in a new field. These sessions help them brush up on new skills and knowledge not only in their domain areas but in other areas beyond the campus. SISTec, on many occasions, organizes expert sessions, workshops & webinars on the departmental level to enhance the knowledge of students and offer them the chance to keep their questions in front of the experts.

1. Student Development Program on “Finance for Non-Finance Professionals” -

School of Management Studies - SISTec MBA conducted a two days Student Development Program for B.Tech 6th sem students on the topic "Finance for Non-Finance Professionals". The main objective of the training was to raise financial awareness among students and enable them to use financial information accurately while making business decisions.

2. Three-Day Workshop on “Barclays Life Skills Program” -

School of Management Studies - SISTec MBA conducted a 3 Day workshop from 31st January to 2nd February 2023 by "Barclays Life Skills Programme in association with Global Talent Track (GTT)". The guest speaker was Ms. Preeti Mehrotra, GTT Trainer and the program coordinator from GTT was Mr. Vidit Chaudhary, University Alliance Manager at GTT. The objective of the workshop was to improve the soft skills of the students and make them

corporate-ready.

3. Expert Session on Power Transmission System Familiarization -

Department of Electrical & Electronics Engineering organized an Expert Session on "Power Transmission System Familiarization". The Expert for the session was Ms. Kushmila Masodker, Executive Engineer, MPPTCL, Khandwa (M.P.). The expert enlightened the students with her vast practical experience in the field. Students learned about the practical & real-life aspects of substations, transmission lines & various other equipment.

4. Two days Workshop on Application of Power Electronics in Electrical Engineering-

Department of Electrical & Electronics Engineering successfully conducted day one of the two days workshop conducted exclusively for Electrical & Electronics Engineering students. The workshop invited different eminent personalities Mr. Nickhill S. Kaushik, CEO, AME consultants & training institute, Bhopal, Dr. Pankaj Swarnkar, Assistant Professor, MANIT Bhopal and Dr. Amit Ojha, Assistant Professor, MANIT Bhopal. Along with this, students visited MANIT, Bhopal wherein the students were provided hands-on training on Electrical drives and control systems.

5. Expert Talk on "Career Opportunities in Government and Private Sector and how to choose it -

The Department of Civil Engineering organized an expert talk cum career counseling session on "Career Opportunities in Government and Private Sector and how to choose it" for the students of core branches of engineering. The expert for the session was (Career and Life Coach), Mr. Harshit Sharma, and Mr. Rahul Mishra who counseled the students on various aspects of effective resource management, including expectations, time, and selection of career goals. They provided valuable insights regarding various competitive examinations for Public and Private Sector jobs.

6. Expert Talk on Nuts & Bolts in Transformation of Idea to Prototype -

The Department of Computer Science & Engineering organized an expert talk on "Nuts & Bolts in Transformation of Idea to Prototype". The eminent speaker for the session was (IPR Expert, Elpis Analytix) Ms. Somya Kaushik. She talked about the patents, grant rights, and the procedure of filing for the patent in brief with the students.

7. Webinar on "Web 3.0" -

Department of Computer Science & Engineering organized a webinar on "Web 3.0" for 4th-semester students on 25th February 2023. The key speaker for the webinar was (Associate Professor, University of sterling, Ras Al Khaimah, Dubai, UAE) Dr. Shamik Palit. She explained the Integrated Development Environment related to Web 3.0 and Demonstrate the transition from Web 2.0 to Web 3.0.

8. Pre-Placement Talk for the students Onboarding Batch 2024 -

Sagar Group of Institutions-SISTec organized a Pre-Placement Talk for the students Onboarding Batch 2024 at its Gandhi Nagar and Ratibad Campuses. The basic agenda is to make students aware of market demand and Prerequisites that will help them to crack product companies' processes and make resources available for them to enhance profiling methodologies. It is essential for the students to be a part of this vital event as it can make a positive impression and increase their chances of getting selected.
